

Arrow Multi Solution Day

Innovating Tomorrow

15.6.2022

8:30-9:00	Gathering & Breakfast					
9:00-9:50	Opening Hall 10B					
9:50-10:20	BREAK					
	Embedded & AI Solutions		IoT & Sensors		Analog & Power Management Solutions	
10:20-10:50	 life.augmented	New MCU & Edge AI Solutions Gidi Mizrahi Hall A2	 Connectivity External Antennas Simon Ingram Hall A3	 AHEAD OF WHAT'S POSSIBLE™	How to choose the correct Power Management solution Gabi Furman Hall A4	
10:50-11:20		Robust development for Industry 4.0 Ilya Viten Hall A2	 life.augmented	Connectivity Tracking Solutions Based on Wireless MCUs, from Bluetooth to LoRa Gidi Mizrahi Hall A3		onsemi SiC Product Overview Dan Ben David Hall A4
11:20-11:40	BREAK					
11:40-12:10		Intelligent Solutions Edge to Cloud – 5G and AI Innovations Roberto Moledo Hall A2		ToF – multizone Usage for Industrial Apps & Spectral Sensors Thomas Hennemann Hall A3		Power Management solutions Sharon Abrahami Hall A4
12:10-12:40		SW & HW Design services Dhaval Vasa Hall A2		onsemi image Sensor Portfolio and Key Product Muriel Cohen Hall A3	 life.augmented	Discovering unique Mems Sensors and Analog high-end solutions Antonio Cirone Hall A4
12:40-13:40	LUNCH					
13:40-14:10		Portfolio of scalable MCU & MPU Michael Glozman Hall A2	 AHEAD OF WHAT'S POSSIBLE™	Bio-Medical Sensors and Platforms for Connected Health & Remote Disease Management Jan-Hein Broeders Hall A3	 AHEAD OF WHAT'S POSSIBLE™	Transceivers – the way to the future 5G Gabi Furman Hall A4
14:10-14:40	 	Vision at the Edge Avi Shimon Hall A2		I/O solutions supporting the growing market for Smart System installations for industrial applications Greg MacDonald Hall A3		Design advantage of Nexperia CCPAK cascode GAN solution Yves Huber Hall A4
14:40-15:40	PANEL - From Idea to Unicorn Hall 10B					
15:40	LOTTERY Hall 10B					

9:50-10:20	BREAK		
	From Idea to Production & Beyond		
10:20-10:50		Modern Component Lifecycle Management Jon Webb Hall A5	
10:50-11:20		Arrow Digital Ecosystems Mathias Milstrey Hall A5	
11:20-11:40	BREAK		
11:40-12:10		From Idea to Product Boaz Almog Hall A5	
12:10-12:40		Chaos Accelerating Innovation Jon Webb Hall A5	
12:40-13:40	LUNCH		
13:40-14:10		Any Timing Solution for Any Application Moti Segal Hall A5
