

TERMS AND CONDITIONS OF SALE AND SUPPLY – SWITZERLAND HARDWARE, SOFTWARE, SERVICES

Upon acceptance of these Conditions as per paragraph 14 or as otherwise authorised in writing by Arrow ECS, Arrow ECS and Customer enter into and agree to these Conditions of sale and supply related to any Contract to provide Deliverables.

1. Definitions

These Conditions will use the following definitions:

“Arrow ECS” shall mean the Arrow entity that is selling or supplying Deliverables to the Customer, in this case: Arrow ECS GmbH, Branch Office Wallisellen, Richtistrasse 11 CH-8304 Wallisellen, Switzerland.

“Conditions” shall mean these Terms and Conditions of Sale and Supply. The Conditions are automatically incorporated into any Order, Confirmation and Contract.

“Confirmation” shall mean Arrow ECS’s written acceptance, acknowledgement or confirmation of an Order or (if earlier) Arrow ECS’s supply of Deliverables to Customer. A Confirmation may be in whole or in part with respect to Deliverables.

“Consents” shall mean all necessary authorisations, consents and registrations required by Data Protection Laws in connection with the execution or performance of these Conditions or a Contract, including, but not limited to, accessing, processing and/or transferring any end customer personal data and providing Arrow ECS with copies thereof upon Arrow ECS’s request.

“Contract” shall mean the agreement between the Parties for the sale of Deliverables when Arrow ECS has confirmed an Order as set out in Paragraph 2 of these Conditions. Any Contract is subject to these Conditions. Also for the sake of clarity any SOW will be deemed to incorporate these Conditions.

“Customer” shall mean the entity purchasing Deliverables from Arrow ECS.

“Deliverables” shall mean any equipment, products, software, services (including cloud, consultancy or professional services) and/or standard, customised and/or tailored courses and trainings sold or supplied by Arrow ECS to Customer.

“Export Terms” shall mean the separate terms and conditions of export under which equipment, software and/or products are exported by Arrow ECS from the Manufacturer to any particular territory or jurisdiction for a Customer. Such terms shall be made available to Customer either via access to an electronic portal or sent via Email to the Customer.

“Data Protection Laws” shall mean all data protection laws, including the General Data Protection Regulation 2016/679 (**“GDPR”**), the Swiss DSG, once it comes into force, the Swiss revDSG and any equivalent, applicable or associated law regarding data protection, including other regulations and directives covering the same topic and applicable local laws regarding the same.

“Late Payment Charge” shall mean, when a Contract is in default based on Customer’s failure to pay the Price and Other Charges in accordance with Paragraph 3 of these Conditions, a monthly rate of 5% above the relevant base interest rate on any amounts owed by Customer to Arrow ECS until the Contract is paid in full, provided that the rate does not exceed the maximum statutory rate allowable under the applicable law.

“Manufacturer” shall mean the manufacturer, vendor and/or original supplier of any Deliverable.

“Order” shall mean Customer's order for Deliverables as set out in a purchase order form and as further detailed in paragraph 2 of these Conditions. An Order is deemed an offer by Customer to Arrow ECS for said Deliverables.

“Other Charges” shall mean amounts chargeable to Customer for value added tax, all costs or charges in relation to freight, handling, loading, unloading, carriage and insurance related to a Contract.

“Parties” shall mean Arrow ECS and Customer.

“Premises” shall mean Customer’s place of business or such other place specified by Customer to and agreed by Arrow ECS as being the place for performance of a Contract.

“Price” shall mean, unless otherwise agreed by the Parties in writing, the price (or licence fee as appropriate) payable by Customer to Arrow ECS for the Deliverables as set out in the Confirmation and/or Arrow ECS invoice.

“**SOW**” shall mean a statement of work in writing and agreed between the Parties for the delivery of services (including, but not limited to, cloud, consultancy or professional services).

2. Contract Formation

2.1 These Conditions form the exclusive basis on which Arrow ECS will sell or supply, and Customer will purchase, Deliverables under a Contract. The Parties agree that no trade, custom, usage, practice or course of dealing will govern or supplement their Contract. The Parties have no other agreements or oral agreements regarding the subject matter of these Conditions or with respect to any Contract. Any term or condition of Customer, however expressed (orally, in writing, in an Order, etc.), are void and shall in no way govern the Parties' Contract. These Terms and Conditions also apply if Arrow ECS, aware of any differing terms and conditions of the Customer, supplies Deliverables to the Customer. To the extent that the Terms and Conditions do not contain regulations on a topic, the regulations as per statutory law shall apply, even if the terms and conditions of the Customer contain regulations on the topic. To the extent there is any conflict the order of precedence shall be as follows: (i) these Conditions and (ii) the Contract.

2.2 Arrow ECS may provide quotations for Deliverables. Quotations are not offers; rather, they are invitations to Customer to make an offer to Arrow ECS. Each quotation is free and non-binding and valid for maximum 14 calendar days from the date of the quotation unless a different period is stated in writing on the quotation. To a reasonable extent, Arrow ECS reserves the right to make technical changes in Deliverables, as well as changes in form and colour.

2.3 A Customer's Order is an offer to purchase Deliverables in accordance with these Conditions. An Order may not be rescinded except by written agreement of Arrow ECS.

2.4 Arrow ECS may accept or reject an Order within two (2) weeks. An acceptance occurs when Arrow ECS issues a Confirmation, at which point and on that date a Contract is formed. If Arrow ECS rejects an Order, no Contract is formed. Arrow ECS offers and Confirmations are subject to a positive check of the Customer's creditworthiness.

2.5 Any variation to a Contract shall only be binding if expressly agreed in writing and signed by both Parties and by directors of the respective Parties.

2.6 Any typographical, clerical or other error, omission or mistake of fact in any sales literature, quotation, price list, Confirmation, invoice or other document or information issued by Arrow ECS shall be subject to correction without liability on the part of Arrow ECS.

2.7 Arrow ECS shall have the right, from time to time, to amend and/or augment these Conditions to the extent the Manufacturer requires certain terms and conditions be included associated with a Contract for Deliverables. Arrow ECS shall provide Customer a copy of the same, whereby upon such provision such amended and/or augmented terms shall be considered part of any existing Contract and these Conditions.

2.8 The Parties may enter into an SOW associated with services. The SOW shall be deemed to incorporate these Conditions and the terms of the same shall take precedence over these Conditions to the extent of any inconsistency.

3. Price and Payment Terms

3.1 With respect to a Contract, Arrow ECS shall invoice Customer for the Deliverables. In cases in which Arrow ECS issues an electronic invoice, Arrow ECS must ensure the correct transmission of the electronic invoice to the Customer and the authenticity of the origin, the integrity of the content and the legibility of the invoice transmitted by Arrow ECS. Additionally, the electronic invoices transmitted by Arrow ECS must comply with any additional contractual and legal requirements (including VAT law related requirements). Arrow ECS, in this context, is not liable for damages (e.g. denial of the input tax deduction, interest etc.), which the customer has suffered due to inadequate internal processes (including but not limited to insufficient inner-company control mechanisms during receipt and the processing of the electronic invoice).

3.2 Customer shall pay the Price and Other Charges in accordance with the payment term set forth under the invoice in full and in cleared funds to a bank account nominated in writing by Arrow ECS. Such payment is due immediately. Failing a payment term in the invoice, the Price and Other Charges shall be paid by Customer to Arrow ECS within fourteen (14) days of the date of the invoice. Arrow ECS has the right to ask pre-payment for deliveries.

3.3 Price and Other Charges shall be paid in full without any deduction or withholding (other than any that are required by law), and Customer shall not assert any set-off or counterclaim against Arrow ECS, unless such counterclaim has become final, non-appealable and undisputed. Customer does not have the right of retention or a right to refuse performance.

3.4 If Customer fails to pay the Price and Other Charges within the time stated in paragraph 3.2, the Contract shall be considered in default.

3.5 While the Contract is in default, Arrow ECS may assess a Late Payment Charge. The Parties agree that the Late Payment Charge represents a fair attempt to recompense Arrow ECS for associated costs, lost business opportunity and administrative burdens associated with late payments, and Customer covenants that it will not challenge these Late Payment Charges in any forum. In addition to clause 16.4, the Parties agree that if for any reason the interest rate is declared to be unlawful, the Late Payment Charge should be reduced to the maximum amount allowed by law.

3.6 Any credit account facility or extension of credit by Arrow ECS to Customer, if any, may be changed or withdrawn by Arrow ECS at its sole discretion at any time and will become effective and binding once Arrow ECS has given Customer notice of the same.

3.7 Arrow ECS reserves the right at any time prior to delivery of the Deliverables to adjust the Price in proportion to any increase of costs to Arrow ECS, including, but not limited to, any increase as a result of default of the Customer, rescheduling costs, cancellation of any part of an Order, nonadherence to agreed call-off or scheduled delivery arrangements and/or any increase in the costs to it of materials, labour, transport taxes or services, any currency fluctuation or any other matter beyond the control of Arrow ECS. Arrow ECS reserves the right to also impose additional legally stipulated costs and charges on the Customer which have been implemented after formation of a Contract.

4. Delivery and Performance

4.1 Customer accepts that Arrow ECS is dependent upon the manufacture and supply of Deliverables by third parties, including the Manufacturer, and therefore all times and dates provided by Arrow ECS for delivery of Deliverables are estimates and not binding delivery

dates and times. If no dates are specified, delivery and/or performance shall be within a reasonable time, continuing to bear in mind the first sentence of this clause. However, Customer's claims for damages resulting from a delay in delivery are excluded in all cases in which such delay does not arise due to intent or gross negligence of Arrow ECS. Liability for consequential damages of any kind is excluded to the extent permitted by law. This applies both to indirect and direct damages as well as to loss of profit.

4.2 Shipping of Deliverables shall be pursuant to Incoterms (2010) ExWorks unless Arrow ECS specifies otherwise in writing. If shipment is delayed due to circumstances for which Customer is responsible, the risk shall pass to Customer upon notification of readiness for dispatch. In this case, however, Arrow ECS is obliged to arrange the insurance requested by Customer at Customer's request and expense. Furthermore, Arrow ECS is entitled to charge the storage costs incurred or a lump sum of 0.5% of the value of the Deliverables per month. In this case, the purchase price or other remuneration shall become due upon preparation for dispatch. At the Customer's request and expense, Arrow ECS will organize transport insurance for delivery. Arrow ECS assumes no liability or warranty for damage incurred during transport.

4.3 Customer will take delivery of the Deliverables within the time specified by Arrow ECS once Arrow ECS gives Customer notice that the same are ready for delivery.

4.4 Arrow ECS shall deliver the Deliverables to the Premises. Customer shall provide Arrow ECS details of the Premises at the time Customer places an Order.

4.5 Arrow ECS may make and Customer shall accept one or more partial deliveries of Deliverables. Each delivery shall be considered to be part performance of the Contract. Failure by Arrow ECS to make one or more deliveries shall not entitle the Customer to treat the Contract as a whole as repudiated.

4.6 Customer shall prepare the Premises, including the area of delivery and installation for the Deliverables, and provide Arrow ECS (including its employees, agents and/or subcontractors) free access to the Premises and area of installation and to any information required for the performance of Arrow ECS's obligations for such period of time as Arrow ECS reasonably requires to deliver, perform or meet its obligations under a Contract.

4.7 Customer shall procure that the owner(s) and occupier(s) of the Premises shall take all measures as necessary to ensure that the Premises are safe and without risks to the health and safety of Arrow ECS's employees, agents and/or subcontractors and that they comply with all relevant health and safety legislation. Customer shall indemnify Arrow ECS against all losses, claims and demands suffered by Arrow ECS as a result of its employees, agents and/or subcontractors attending the Premises and suffering any injury and/or loss and/or damage as a result of non-compliance with this clause. Customer shall make the Premises available to Arrow ECS and/or its agents to the extent necessary for Arrow ECS to perform its obligations under these Conditions and/or Contract and to grant Arrow ECS and/or its agents licence to enter and inspect Premises.

4.8 Arrow ECS reserves the right to defer the date of delivery or terminate a Contract or reduce the volume of Deliverables (without liability to Arrow ECS) if Arrow ECS is prevented from or delayed in the carrying on of its business due to circumstances beyond the reasonable control of Arrow ECS including, without limitation, acts of God, governmental actions, war or national emergency, acts of terrorism, protests, riot, civil commotion, fire, explosion, flood, epidemic, lock-outs, strikes or other labour disputes (whether or not relating to either party's workforce, this also applies if such circumstances arise for a supplier of Arrow ECS), changes in law, Brexit or restraints or delays affecting carriers or inability or delay in obtaining supplies of adequate or suitable materials.

4.9 Customer acknowledges that the sale, resale or use of any software/licenced Deliverable or incorporated as part of any hardware is subject to the acceptance of the relevant Manufacturer's end user licence agreement and/or other conditions. Customer shall sign and return, and/or as the case may be, shall procure that its end customer shall sign and return, such end user licence agreement and/or registration card and/or other conditions (as maybe appropriate) relating to each licenced Deliverable to the Manufacturer or as otherwise specified. Customer shall immediately report violations of the end user licence agreement or other conditions to Arrow ECS or the Manufacturer.

4.10 If Customer fails, or the end user fails, either to communicate acceptance of the terms of the end user licence agreement or other conditions in accordance with these Conditions or pay any relevant licence fee for the licenced Deliverable, Customer's or the end user's, as the case may be, right to use the licenced Deliverable shall immediately cease, and the Customer/end user shall remove the licenced Deliverable from its computer systems and return all physical copies thereof to Arrow ECS. Customer will (upon request) provide a signed declaration (from a director of Customer) that clauses 4.9 and 4.10 have been complied with. Customer shall indemnify, defend and hold harmless Arrow ECS in respect of all loss, damages, costs and expenses howsoever incurred where Customer or end user fail to comply with clauses 4.9 and 4.10.

4.11 Arrow ECS grants offers or prices at special conditions (in particular NSP, SPQ, SPR, ADR, Deal Reg) when carrying out project transactions, subject to the approval of the respective Manufacturer and subject to the supply of the respective named end customer. The Customer undertakes vis-à-vis Arrow ECS to comply with the respective Manufacturer's conditions, in particular to keep all end customer proofs such as delivery notes and invoices (redaction of irrelevant data possible) available twelve months retroactively and to submit them at the request of Arrow ECS or the Manufacturer, to sell only to the permissible end customer and not to exceed the highest permissible end customer price. In the event of refusal of approval by the Manufacturer or in the event of violation of the Manufacturer's conditions, Arrow ECS has the right, without prejudice to the assertion of further claims, to subsequently invoice the Customer for the difference between the special price commitment and the regular purchase price of the goods.

5. Risk and title

5.1 Subject to clauses 4.2 and 5.2, risk in equipment, products and non-licenced software, passes to the Customer upon the earlier of the following:

5.1.1 a freight forwarder takes possession of the same for onward shipment to Customer or its designee;

5.1.2 the equipment, products and non-licenced software leave Arrow ECS's warehouse for onward shipment to Customer or its designee; and

5.1.3 in the case of non-licenced software delivered electronically to Customer, the time at which the software is sent to Customer or its designee by Arrow ECS or a third-party supplier.

5.2 If for any reason:

- a. Customer will not or does not accept delivery of any part or all of the Deliverables when they are ready for delivery; or
- b. delivery of the Deliverables is delayed because Customer has not provided appropriate instructions, documents, licences or authorisations or because of any other circumstances within the Customer's responsibility,

then risk in the Deliverables shall immediately pass to Customer, and Arrow ECS shall be entitled (at its discretion) to store the Deliverables until delivery is made, whereupon Customer will be liable for all related costs and expenses (including, without limitation, storage and insurance).

5.3 In the case of licenced software and/or cloud services, title shall vest with the Manufacturer and only a licence to use the software/cloud service, upon acceptance of the end user licence agreement and/or the terms of access and use set forth by the Manufacturer, shall be granted and then only in accordance with the terms of the end user license agreement or other conditions.

5.4 Title to other Deliverables for a given Contract shall pass to Customer when full payment in cleared funds under said Contract has been received by Arrow ECS. Until such time Arrow ECS shall retain title to the Deliverables until payment is made in full and Arrow ECS shall have a security interest in the Deliverables to secure payment. The Customer is prohibited from granting a security interest or a pledge in the reserved goods. Dispositions made by third parties, including but not limited to the granting of a security interest or a pledge in the reserved goods, are to be communicated to Arrow ECS immediately. Customer is also required to, in such a case, hand over to Arrow ECS any such documents that might be necessary to intervene. The exercise of the rights arising from the retention of title or a request for surrender of the reserved goods, do not constitute a withdrawal from the Contract. Arrow ECS may record applicable financing and charging statements to protect its security interest, and Customer shall, at the request of Arrow ECS, assist in taking any measures necessary to protect Arrow ECS's title to Deliverables in the country or countries concerned.

5.5 Arrow ECS undertakes to release the securities to which it is entitled at the Customer's request to the extent that the realisable value of Arrow ECS's securities exceeds the claims to be secured by more than 10%; the selection of the collateral to be released is the responsibility of Arrow ECS.

5.6 The Customer is obliged to treat the Deliverables which are subject to retention of title with care; in particular, he is obliged to insure them sufficiently at replacement value at his own expense against fire, water and theft damage. If maintenance and inspection work is required, the Customer must carry it out in good time at his own expense. Arrow ECS is entitled to register this retention of title in the retention of title registry.

5.7 Customer may resell the Deliverables before title has passed to Customer only on the following conditions:

- a. the sale shall be in the ordinary course of the Customer's business;
- b. the sale shall be a sale of Arrow ECS's property on Customer's behalf and the Customer shall deal as principal when making such a sale; and

- c. Customer shall already in advance assign all claims arising from such resale of the reserved goods to Arrow ECS. The Customer is granted a revokable right to collection of such claim. At Arrow ECS's request, Customer has to inform Arrow ECS about all assigned claims and debtors. Arrow ECS has the right to inform the debtors of the assignment if Customer is in default of payment; and.
- d. Customer shall hold sums due to Customer pursuant to such sale in trust for the sole benefit of Arrow ECS and separately from any other money held by the Customer.

6. Warranty

6.1 Arrow ECS warrants that the Deliverables delivered to Customer are free from manufacturing defects and defects in material and are suited for the use as described in the corresponding user manuals. Each Customer or reseller is solely responsible for his decision whether a Deliverable ordered from Arrow ECS is compatible with the computer system on which Customer or reseller intends to use the Deliverable. The technical data and descriptions in the product information alone do not constitute an assurance of certain properties. An assurance of properties in the legal sense is only given if the respective information has been confirmed in writing by Arrow ECS. Arrow ECS is not liable for public statements or advertising about the Deliverables or for the characteristics of samples or samples of such Deliverables in circulation.

6.2 The warranty period is 12 months from the transfer of risk. This period is a limitation period and applies to all possible claims of the Customer due to defects of the Deliverables for which Arrow ECS are responsible, unless claims are asserted due to fraudulent concealment of a defect, tort or intent or the goods are the subject of a consumer good purchase.

6.3 Customer acknowledges and accepts that Arrow ECS is not the Manufacturer and that Deliverables sold or supplied under these Conditions is subject to, if any, a warranty with the Manufacturer.

6.4 The following sets forth Arrow ECS's sole obligations with respect to warranties. Arrow ECS makes no other warranty and excludes all others.

Equipment, Software and Products

6.5 Subject always to all the limitations, terms and conditions of a warranty contained in the contractual documents between the Manufacturer and Arrow ECS, Arrow ECS will either:

- a. obtain for Customer the benefit of standard end-user warranties available in respect of the equipment, software or products; or, if this is unavailable,
- b. grant Customer the same warranties that Arrow ECS receives from the Manufacturer in respect of the equipment, software or products.

6.6 Arrow ECS shall not be liable under any warranty referenced clause 6.5(a).

6.7 The sum total of payments by Arrow ECS to Customer pursuant to clause 6.5(b) shall be limited to the sum total of payments received by Arrow ECS from the relevant Manufacturer in respect of Customer's warranty claim.

6.8 Customer is obliged to inspect the Deliverables immediately (Art. 201 OR). Arrow ECS shall not be liable under any warranty issued pursuant to clause 6.5(b) unless Customer gives notice and details of the damage or defect in the equipment, software or products to Arrow ECS within 24 hours of delivery; Arrow ECS is given a reasonable opportunity after receiving such notice from the Customer to examine the equipment, software or products; and the Customer (if asked to do so by Arrow ECS) returns such equipment, software or products in the packaging in which it was supplied in resaleable condition to Arrow ECS's place of business for examination there. For the observance of the applicable deadline, timely dispatch is sufficient. The Customer bears the full burden of proof for all prerequisites for the claim, in particular for the defect itself, for the time of discovery of the defect and for the timeliness of the notice of defect.

6.9 Arrow ECS shall not be liable under any warranty in clause 6.5(b) if:

- a. the defect arises because Customer or end user has failed to follow instructions of Arrow ECS and/or the Manufacturer as to the storage, installation, commissioning, use or maintenance of the equipment, software or products, or, if there are none, good trade practice; or
- b. Customer or end user alters or repairs the equipment, software or products without the written consent of Arrow ECS or the Manufacturer or takes any step or action which has the effect of invalidating the warranty; or
- c. the defect arises out of regular wear and tear; or
- d. Arrow ECS is unable to pass any such liability onto the relevant Manufacturer under its warranty due to an act or omission of Customer or any person to whom Customer has supplied the equipment, software or products (including a failure by Customer to return the same in the relevant packaging in resaleable condition).

6.10 In the event that Customer has a valid claim under any warranty issued pursuant to clause 6.5(b), Arrow ECS shall provide Customer with the remedy or remedies available under the warranty. If, in accordance with the terms of the warranty, Arrow ECS is required to refund and does refund the price of any equipment, software or products as set out in a Contract, Arrow ECS shall have no further liability to Customer under any of the warranties issued pursuant to clause 6.5(b) in respect of such claim, and any equipment, software or products returned by the Customer to Arrow ECS will therefore belong to Arrow ECS.

6.11 The performance of any customised and/or value-added products and services may void the Manufacturer's warranty and render products or services non-returnable which, in turn, will void any Warranties made under these Conditions. Orders incorporating customised products or value-added services are, accordingly, non-cancellable and the products or services are non-returnable. Any third-party value-added service provider is deemed to be an agent of Customer.

Services (Including Cloud Services) and Education/Trainings

6.12 Arrow ECS shall provide Services to Customer at an agreed location. In doing so, Arrow ECS uses one or more specialists (employees of Arrow ECS or third party subcontractors) - hereinafter referred to as "Employees" - who, according to their knowledge and experience, are suitable for the activities specified in the contract.

6.13 The Customer informs Arrow ECS before and during the performance of the ordered Service about all circumstances that are necessary and important for the preparation and execution of the Service and is obliged to support Arrow ECS in its execution of the Service to the best of its knowledge and belief and to create all conditions necessary for the proper execution of the Service. Customer shall provide Arrow ECS free of charge and on time with all Employees of the Customer or its Customer, required for the performance of the contractual Services. Furthermore, the Customer shall provide all correct and binding documents, data and information required for the contractual performance free of charge and on time.

6.14 The planning of the fulfillment of the Service is determined by the Customer in coordination with Arrow ECS. Arrow ECS shall carry out the work assigned to it in its own responsibility and in coordination with the Customer. The Customer has no authority to issue instructions to Arrow ECS, but is entitled to technical and organizational specifications insofar as these are necessary to ensure the usability of the Customer's services.

6.15 Even if the Service is provided at the Customer's or end customer's place of business, Arrow ECS alone is authorized to issue instructions to its Employees. Arrow ECS Employees are not integrated into the Customer's or end customer's operations.

6.16 Arrow ECS warrants to Customer that the services (including cloud services) and education/trainings will be provided using reasonable care and skill.

6.17 Arrow ECS reserves the right (at its sole discretion) to re-perform any services or education/trainings which have been defectively performed or otherwise refund the price of such services or education/trainings as set out in the Contract.

6.18 In deviation from the provisions of the General Civil Code, a warranty period of 6 (six) months shall be deemed agreed for Services. The warranty period begins with the delivery of the work and must be asserted in court within this period in the event of any other limitation period.

Other general warranty provisions

6.19 CUSTOMER ACKNOWLEDGES THAT, EXCEPT AS SPECIFICALLY SET FORTH OR REFERRED TO HEREIN, AND TO THE EXTENT PERMITTED BY LAW, ARROW ECS MAKES NO WARRANTY AND EXPRESSLY EXCLUDES OTHER REPRESENTATIONS OR WARRANTIES REGARDING THE DELIVERABLES, EXPRESS OR IMPLIED, SUCH AS A WARRANTY OF MERCHANTABILITY, FITNESS FOR PURPOSE OR NONINFRINGEMENT, AND CUSTOMER ACCEPTS THE DELIVERABLES "AS IS". EXCEPT AS SET FORTH HEREIN, ARROW ECS EXCLUDES ALL WARRANTIES, CONDITIONS OR OTHER TERMS IMPLIED BY STATUTE, COMMON LAW OR OTHERWISE TO THE FULLEST EXTENT PERMITTED BY LAW.

6.20 Under no circumstance will Arrow ECS be liable for anything more than repairing, replacing or refunding the Price for the Deliverables, all at Arrow ECS's discretion. All other Customer remedies or damages associated with the Deliverables are hereby excluded and waived.

7. Liability

7.1 Subject to clause 6, the following provisions set out the entire financial liability of Arrow ECS (including any liability for the acts or omissions of its employees, agents and/or sub-contractors) to Customer.

7.2 Nothing in these Conditions excludes or limits the liability of Arrow ECS for:

- a. death or personal injury caused by Arrow ECS's gross negligence or the gross negligence of its employees, agents or subcontractors; or
- b. fraud or fraudulent misrepresentation.

7.3 Subject to clause 7.2:

- a. Arrow ECS shall under no circumstances be liable to Customer in contract, tort (including negligence), breach of statutory duty, misrepresentation, restitution or otherwise, for any increased costs or expenses, or any loss of profit, business, contracts, revenues, or anticipated savings or any special, indirect or consequential damage and/or loss of any nature whatsoever and howsoever arising under or in connection with a Contract. Claims of a Customer arising out of impossibility lying within the sphere of Arrow ECS's responsibility and product liability law remain unaffected; and
- b. Arrow ECS's total liability to Customer in respect of all other losses arising under or in connection with a Contract, whether in contract, tort (including negligence), breach of statutory duty, or otherwise, shall in no circumstances exceed the lesser of the Price paid by Customer under a Contract or one hundred thousand Swiss Francs (100,000CHF).

8. Packaging and Returns

8.1 Any Deliverables supplied in accordance with a Contract can only be returned to Arrow ECS under conditions where a return is authorised in writing and if Customer obtains a return authorisation number from Arrow ECS.

8.2 Customer shall send returns to the location advised by Arrow ECS. All such returns are at Customer's sole risk and expense. Arrow ECS reserves the right to refuse to accept any such returns if they are not returned in the original packaging in resaleable condition.

9. Renewal Contracts

9.1 If the contract between Arrow ECS and Manufacturer contains an automatic renewal clause, an identical term shall be implied into a Contract, save that any notice period specified in the automatic renewal clause relating to notice of intention not to renew shall be extended by 20 business days. Arrow ECS will provide Customer notice of any such automatic renewal clause.

9.2 Customer shall indemnify Arrow ECS in respect of all costs and expenses howsoever incurred as a result of any breach and/or failure to strictly comply with clause 9.1.

10. Data Protection

10.1 Customer represents and warrants to Arrow ECS that Customer shall comply with all Data Protection Laws in respect of the processing of the personal data, including but not limited to the Swiss DSG and, when in force, the Swiss revDSG.

10.2 Customer hereby explicitly authorises Arrow ECS and the Manufacturer and any of their sub-processors to process data provided by Customer and/or to access the network of the end customer if necessary to provide Deliverables. Customer represents and warrants that it will only disclose personal data after the Consent of the end customer has been obtained in accordance with the authorisation set out herein. Under the authorisation, Arrow ECS and the Manufacturer and their sub-processors may directly process the data and/or access the network of the end customers upon written notification of Customer for the purpose of providing Deliverables to such end customer.

10.3 Customer warrants to Arrow ECS that (i) Customer has obtained and maintained all necessary Consents to make such authorisations; (ii) all instructions from Customer to Arrow ECS to process and/or access the data are in compliance with the Data Protection Laws; (iii) Customer has in place and undertakes to maintain at all times appropriate technical and organisational measures against the accidental, unauthorised or unlawful processing, destruction, loss, damage or disclosure of personal data.

10.4 Customer shall provide Arrow ECS with such other documentation and information on request and as necessary for Arrow ECS to provide the Deliverables and to comply with its data processing and collection obligations under this clause 10.

10.5 Customer shall indemnify, defend and hold harmless Arrow ECS in respect of all losses, damages, costs and expenses howsoever incurred by Arrow ECS as a result of any breach and/or failure to strictly comply with this clause 10.

10.6 Order processing takes place within the Arrow ECS group of companies with the help of automatic data processing. Arrow ECS processes the data that has become known in the context of contractual relationships and is necessary for order processing, including personal data (e.g. name, delivery address, billing address, telephone number, tax number). In addition, Arrow ECS also uses the data obtained from the business relationship with the Customer within the meaning of the applicable Austrian and European data protection law within the Arrow ECS group of companies, e.g. for advertising measures and marketing campaigns. For individual data processing procedures, Arrow ECS commissions external service companies, which are separately obliged with regard to the confidentiality and security of the data and whose scope is contractually regulated. Arrow ECS reserves the right to obtain information regarding the Customer's creditworthiness from credit agencies or credit insurance companies for the purpose of checking the Customer's creditworthiness. Customer acknowledges that his data will be transmitted to the trade credit evidence of the credit protection association of 1870, 1120 Vienna, Wagenseilgasse 7, DVR 0431591, and other credit agencies or credit insurance companies for the purpose of credit assessment on the occasion of order processing, application processing and order processing. These include data regarding identity (name, address, date of birth, etc.), as well as data on the Customer's sustained default in payment (debt enforcement steps, open balance, etc.) from the time the claim is handed over to a collection agency or a lawyer for further collection.

11. Compliance with local laws and regulations, export terms and other terms

11.1 Any export of the Deliverables shall be subject to the Export Terms which will apply in addition to these export sections under these Conditions.

11.2 Customer shall be responsible for obtaining all necessary export and import licences or permits necessary for the export of the Deliverables and warrants that none of the Deliverables will be exported and/or imported unless and until all such necessary export and import licences or permits have been obtained in writing from the appropriate regulatory authorities. Customer shall be responsible for customs duties, clearance charges, taxes, including but not limited to value-added tax and transport costs, brokers' fees and other amounts payable in connection with the exportation, importation and delivery of the Deliverables. Without limitation Customer shall comply with all export laws, restrictions, sanctions and embargoes imposed by the United States of America, the European Union and the United Nations.

11.3 Customer is responsible for remaining informed about the currently valid provisions and regulations (e.g. at Seco in Switzerland, US Department of Commerce, Bureau of Industry and Security, Washington D. C. 20230). Customer warrants to Arrow ECS that Customer will comply with all of the following:

- a. all applicable laws and regulations, including, without limitation, all applicable anti-bribery laws and laws governing transactions with government, public and private entities, antitrust and competition laws, applicable insider trading, securities and financial reporting laws, laws governing consumer transactions and laws regarding data privacy;
- b. all laws and regulations affecting the purchase and/or use and/or resale of the Deliverables; and
- c.
