

### Addendum to License Agreement or Terms of Use

immixTechnology, Inc. (“Offeror”) hereby submits this Addendum as an attachment to any proposed End User License Agreement, Terms of Use or other similar document pertaining to terms and conditions (“EULA”) submitted with Offeror’s quotation. All references to the manufacturer/licensor/vendor in the attached EULA should be read as “Contractor (immixTechnology, Inc.) acting by and through its supplier.”

The Government accepts commercial terms in a license agreement only to the extent that those terms do not conflict with Federal law and only to the extent those terms meet the Government’s needs. Therefore, Offeror hereby agrees to the following modifications of the EULA to remove any inconsistencies with Federal procurement laws and to meet the Government’s needs.

The term “Government” in this Addendum includes any U.S. federal, state, local, regional or tribal government, or any instrumentality thereof. If the customer is that of a state, local, regional or tribal government, some of the Federal laws and regulations referenced below may not apply to customer. To the extent a Federal law or regulation listed below does not apply to customer, such provision shall be replaced by a provision that, to the extent permitted by applicable law, achieves the same purposes intended under the Federal law or regulation.

Offeror agrees that in the event of any conflict or inconsistency between the terms in this Addendum and the terms of any proposed EULA, the terms of this Addendum will supersede and be controlling. The Offeror acknowledges that this Addendum will become a binding part of its contract with the Government in the event its quotation is accepted and selected for award.

General Indemnity (by the government)	<p>The Government does not agree to indemnify any party because such agreements may violate the Anti-Deficiency Act, 31 U.S.C. § 1341(a)(1)(B). Any such clause is hereby modified as follows:</p> <p><b>Recourse against the United States for any alleged breach of this agreement must be as a dispute under the contract disputes clause (Contract Disputes Act). While a dispute is pending, the Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and comply with any decision of the Contracting Officer.</b></p>
Patent Indemnity (by the contractor)	<p>Clauses giving the contractor sole control over any claims or disputes involving patent or other intellectual property infringement are not allowable, insofar as only the US Department of Justice is authorized to represent the US Government, per 28 U.S.C. § 516. Any clause giving entire control of litigation to a contractor is hereby modified as follows:</p> <p><b>If a third party claims that products or services delivered under this contract infringe that party’s patent or copyright, and the contractor is obligated to indemnify, defend and hold harmless the Government against such claim pursuant to the EULA, the contractor shall permit the Government to participate in the defense, at the Government’s sole cost and expense. The Government shall make every effort to fully participate in the defense and/or in any settlement of such claim. However, the contractor understands that such participation will be under the control of the U.S. Department of Justice, per 28 U.S.C. § 516.</b></p>
Automatic renewals (e.g., term licenses for software or software maintenance that renew automatically and renewal charges are due automatically unless the government takes action to opt out or terminate)	<p>The Government does not agree to any automatic renewal provisions because such agreements may violate the Anti-Deficiency Act, 31 U.S.C. § 1341(a)(1)(B). Any such clause is hereby modified as follows:</p> <p><b>If any license or service tied to periodic payment is provided under this agreement (e.g., annual software maintenance), such license or service shall not renew automatically upon expiration of its current term without prior express Government approval by a warranted contracting officer.</b></p>
Audit	<p>Any clauses that give the contractor the right to audit the Government’s use of software licenses may not meet the Government’s needs as a matter of security. Any such clause is hereby modified as follows:</p>

	<p>At Contractor's written request, but not more frequently than annually, the Government shall furnish Contractor with a document signed by the Government's authorized representative verifying that the software is being used pursuant to the provisions of this contract. To the extent permitted by and subject to the Government's applicable security requirements (including, but not limited to, use of cleared personnel, badging and other requirements), Contractor reserves the right to audit the Government's use of the software no more than once annually at Contractor's expense. Contractor shall schedule any audit at least thirty (30) days in advance. Any such audit shall be conducted during regular business hour at the Government's facilities and shall not unreasonably interfere with the Government's business.</p>
Attorney fees and costs; equitable relief	<p>The Government does not agree to any clauses relating to the award of attorney's fees and costs or equitable relief because they may violate the Anti-Deficiency Act, 31 U.S.C. § 1341(a)(1)(B). Any such clause is hereby modified as follows:</p> <p><b>Equitable relief and the award of attorney's fees, costs, or interest are only allowed to the extent permitted by statute (e.g., the Prompt Payment Act or Equal Access to Justice Act). Disputes will be resolved according to the disputes clause.</b></p>
Taxes	<p>The Government does not agree to any clauses purporting to make the Government responsible for all taxes. Any taxes the vendor believes to be payable by the Government must be submitted individually to the contracting officer for adjudication or included in the firm-fixed price.</p>
Incorporating other License Terms by Reference, Including Reference to a Website	<p>Terms provided in other documents or websites do not bind the Government unless those terms are referenced in the license agreement and submitted with the proposal. Any such clause is hereby modified as follows:</p> <p><b>Any license agreement provisions or terms of use unilaterally revised subsequent to award that are inconsistent with any material term or provision of this contract are not enforceable against the Government.</b></p>
Venue; Choice of Law	<p>The Government does not agree to any venue, jurisdiction, or choice of law clauses and does not consent to jurisdiction in any U.S. state courts. Any such clause is hereby modified as follows:</p> <p><b>Venue and jurisdiction for any disputes are determined by the applicable federal statute (e.g., Contract Disputes Act) or by the Federal Acquisition Regulation. Any disputes arising under or related to this contract and license agreement will be governed by applicable federal statutes and regulations, not the laws of any particular U.S. state.</b></p>
Arbitration	<p>The Government does not agree to any provisions relating to mandatory arbitration. Disputes must be resolved in accordance with applicable federal statutes (e.g., Contract Disputes Act) and regulations.</p>
Equitable remedies, injunctions	<p>The Government does not agree to any clauses consenting to or entitling the contractor to equitable relief or injunctions. Equitable relief for copyright, trademark, or patent infringement by the Government is only available to the extent permitted by federal statutes.</p>
Unilateral termination by contractor for breach	<p>The Government does not agree to any clauses permitting unilateral termination of the contract or license agreement by the contractor. Any such clause is hereby modified as follows:</p> <p><b>Recourse against the United States for any alleged breach of this agreement must be made under the terms of the contract disputes clause (Contract Disputes Act). While a dispute is pending, the Contractor shall proceed diligently with performance of this contract, pending final resolution of any request for relief, claim, appeal, or action arising under the contract, and must comply with any decision of the Contracting Officer.</b></p>

Unilateral modification	The Government does not agree to any provisions giving the contractor the right to unilaterally make material changes to the license terms, with or without notice to the customer.
Assignment by licensor	<p>The Government does not agree to any license terms providing for assignment by the licensor. Any such clause is hereby modified as follows:</p> <p><b>Assignment of Government contracts without the Government's prior approval is prohibited by statute, except for assignment of payment to a financial institution, which must comply with the Assignment of Claims Act (31 U.S.C. § 3727, 41 U.S.C. § 15) and Federal Acquisition Regulation Subpart 32.8.</b></p>
Confidentiality	<p>The Government does not agree to any clauses asserting that unit prices or license agreement terms are confidential or proprietary information. Any such clause is hereby modified as follows:</p> <p><b>Neither the license agreement nor the price list shall be deemed "confidential" or "proprietary" information notwithstanding any marking to that effect. The Freedom of Information Act (FOIA) governs what information must be disclosed and what information may be withheld by the Government.</b></p>
Inspection/Acceptance	The Contractor can only, and shall only tender for acceptance those items that substantially conform to the manufacturer's published specifications. Therefore, items delivered shall be considered accepted upon delivery. The Government reserves the right to inspect or test any supplies or services that have been delivered. The Government may require repair or replacement of nonconforming supplies or re-performance of nonconforming services at no increase in contract price. If repair/replacement or re-performance will not correct the defects or is not possible, the Government may seek an equitable price reduction or adequate consideration for acceptance of nonconforming supplies or services. The Government must exercise its post-acceptance rights- (1) Within the warranty period; and (2) Before any substantial change occurs in the condition of the item, unless the change is due to the defect in the item.

This license grants Licensee the right, exercisable solely by and through Licensee’s Authorized Users, to:

(a) Download, copy, and install in accordance with the Documentation one (1) copy of the Software on, as applicable, the designated number of servers/computers/end devices set forth on the Order Form owned or leased, and controlled by, Licensee. In addition to the foregoing, Licensee has the right to make one copy of the Software solely for archival purposes and one copy of the Software solely for backup purposes, provided that Licensee shall not, and shall not allow any Person to, install or use any copy other than if and for so long as the copy installed in accordance with the preceding sentence is inoperable and, provided, further, that Licensee uninstalls and otherwise deletes such inoperable copy(ies). All copies of the Software made by the Licensee:

(i) will be the exclusive property of the Licensor;

- (ii) will be subject to the terms and conditions of this Agreement; and
  - (iii) must include all trademark, copyright, patent, and other Intellectual Property Rights notices contained in the original, including without limitation notices for Open Source Software and all Third Party software integrated into the Software, as described further at link <https://oss.qusecure.com>.

- (e) Grant sublicenses in the Software solely as permitted under the terms of this Agreement and subject to the following:
  - (i) all sublicenses shall be in form and substance as approved in advance by Licensor; and
  - (ii) Licensee will be responsible and liable pursuant to the terms and conditions of this Agreement for its sublicensees' actions and failures to take required actions with respect to the Software.

3. Third-Party Materials. The Software includes Open Source Software, content, data, or other materials, including related documentation, that are owned or licensed by Persons other than Licensor and that are provided to Licensee on licensee terms that are in addition to and/or different from those contained in this Agreement (“**Third-Party Licenses**”). Any fees charged by Licensor in connection with the Software, do not apply to the Open Source Software

for which fees may not be charged under the applicable license terms. A list of all materials included in the Software and provided under Third-Party Licenses including without limitation Open Source Software can be found at link <https://oss.qusecure.com>. Licensee is bound by and shall comply with all Third-Party Licenses, which are separate from the Licensor applications that are subject to the terms of this EULA. Any breach by Licensee or any of its Authorized Users of any Third-Party License is also a breach of this Agreement.

4. Use Restrictions. Licensee shall not, and shall require its Authorized Users not to, directly or indirectly:

(a) use (including make any copies of) the Software or Documentation beyond the scope of the license granted under Section 2;

(b) except as may be permitted by Section 2(e) and strictly in compliance with its terms, provide any other Person, including any subcontractor, independent contractor, affiliate, or service provider of Licensee, with access to or use of the Software or Documentation;

(c) modify, translate, adapt, or otherwise create derivative works or improvements, whether or not patentable, of the Software or Documentation or any part thereof;

(d) combine the Software or any part thereof with, or incorporate the Software or any part thereof in, any other programs;

(e) reverse engineer, disassemble, decompile, decode, or otherwise attempt to derive or gain access to the source code of the Software or any part thereof;

(f) remove, delete, alter, or obscure any trademarks or any copyright, trademark, patent, or other intellectual property or proprietary rights notices provided on or with the Software or Documentation, including any copy thereof;

(g) except as expressly set forth in Section 2(a) and Section 2(c), copy the Software or Documentation, in whole or in part;

(h) rent, lease, lend, sell, sublicense, assign, distribute, publish, transfer, or otherwise make available the Software, or any features or functionality of the Software, to any Third Party for any reason, whether or not over a network or on a hosted basis, including in connection with the internet or any web hosting, wide area network (WAN), virtual private network (VPN), virtualization, time-sharing, service bureau, software as a service, cloud, or other technology or service;

(i) use the Software or Documentation in, or in association with, the design, construction, maintenance, or operation of any hazardous environments or systems, including:

(i) power generation systems;

- (ii) aircraft navigation or communication systems, air traffic control systems, or any other transport management systems;
- (iii) safety-critical applications, including medical or life-support systems, vehicle operation applications, or any police, fire, or other safety response systems; and
- (iv) military or aerospace applications, weapons systems, or environments;
- (j) use the Software or Documentation in violation of any law, regulation, or rule; or
- (k) use the Software or Documentation for purposes of competitive analysis of the Software, the development of a competing software product or service, or any other purpose that is to the Licensor's commercial disadvantage.

5. Responsibility for Use of Software. Licensee is responsible and liable for all uses of the Software and Documentation through access thereto provided by Licensee, directly or indirectly. Specifically, and without limiting the generality of the foregoing, Licensee is responsible and liable for all actions and failures to take required actions with respect to the Software and Documentation by its Authorized Users or by any other Person to whom Licensee or an Authorized User may provide access to or use of the Software and/or Documentation, whether such access or use is permitted by or in violation of this Agreement.

6. Compliance Measures.

(a) The Software may contain technological copy protection or other security features designed to prevent unauthorized use of the Software, including features to protect against any use of the Software that is prohibited under Section 4. Licensee shall not, and shall not attempt to, remove, disable, circumvent, or otherwise create or implement any workaround to, any such copy protection or security features.

(b) On a semi-annual basis, and otherwise on Licensor's written request, Licensee shall conduct a review of its and its Authorized Users use the Software and certify to Licensor in a written instrument signed by an officer of Licensee that it is in full compliance with this Agreement or, if Licensee discovers any noncompliance:

(i) Licensee shall immediately remedy such noncompliance and provide Licensor with written notice thereof. Licensee shall provide Licensor with all access and assistance as Licensor requests to further evaluate and remedy such noncompliance.

(ii) If Licensee's use of the Software exceeds the number of copies or Authorized Users permitted under the license, Licensor shall have the remedies set forth in Section 6(d).

(c) During the Term, Licensor may, in Licensor's sole discretion, audit Licensee's use of the Software to ensure Licensee's compliance with this Agreement, provided that (i) any such audit shall be conducted on not less than ten days' prior notice to Licensee, and (ii) no more than two audits may be conducted in any six-month period except for good cause shown. Licensor also may, in its sole discretion, audit Licensee's systems within six months after the end of the Term to ensure Licensee has ceased use of the Software and removed all copies of the Software from such systems as required hereunder. The Licensee shall fully cooperate with Licensor's personnel conducting such audits and provide all reasonable access requested by the Licensor to records, systems, equipment, information, and personnel, including machine IDs, serial numbers, and related information.

(d) If the audit/any of the measures taken or implemented under this Section 6 determines that the Licensee's use of the Software exceeds or exceeded the use permitted by this Agreement then:

(i) Licensee shall, within seven (7) days following the date of Licensor's written notification thereof, pay to Licensor the retroactive License Fees for such excess use and, unless Licensor terminates this Agreement pursuant to Section 6(d)(i), obtain and pay for a valid license to bring Licensee's use into compliance with this Agreement. In determining the Licensee Fee payable pursuant to the foregoing, (x) unless Licensee can demonstrate otherwise by documentary evidence, all excess use of the Software shall be deemed to have commenced on the commencement date of this Agreement or, if later, the completion date of any audit previously conducted by Licensor hereunder, and continued uninterrupted thereafter, and (y) the rates for such licenses shall be determined without regard to any discount to which Licensee may have been entitled had such use been properly. If the use exceeds or exceeded the use permitted by this Agreement by more than ten (10) per cent, Licensee shall also pay to Licensor, within seven (7) days following the date of Licensor's written request therefor, Licensor's costs incurred in conducting the audit. If the use exceeds or exceeded the use permitted by this Agreement by more than twenty (20) percent, Licensor shall also have the right to terminate this Agreement and the license granted hereunder, effective immediately upon written notice to Licensee.

Licensor's remedies set forth in this Section 6(d) are cumulative and are in addition to, and not in lieu of, all other remedies the Licensor may have at law or in equity, whether under this Agreement or otherwise.

## 7. Maintenance and Support.

(a) Subject to Section 7(c), the license granted hereunder entitles Licensee to the basic software maintenance and support services described on Schedule B or from time to time on Licensor's website located at <https://supportagreement/qusecure.com>:

(i) for the term of the License set forth on the Order Form; and

(ii) thereafter, solely if Licensee extends the applicable License and/or purchases additional support services.

Such support services shall be provided on the terms and conditions set forth at <https://supportagreement/qusecure.com>.

(b) Maintenance and support services will include provision of such updates, upgrades, bug fixes, patches, and other error corrections (collectively, “**Updates**”) as Licensors makes generally available free of charge to all licensees of the Software then entitled to maintenance and support services. Licensors may develop and provide Updates in its sole discretion, and Licensee agrees that Licensors has no obligation to develop any Updates at all or for particular issues. Licensee further agrees that all Updates will be deemed Software, and related documentation will be deemed Documentation, all subject to all terms and conditions of this Agreement. Licensee acknowledges that Licensors may provide some or all Updates via download from a website designated by Licensors and that Licensee’s receipt thereof will require an internet connection, which connection is Licensee’s sole responsibility. Licensors has no obligation to provide Updates via any other media. Maintenance and support services do not include any new version or new release of the Software that Licensors may issue as a separate or new product, and Licensors may determine whether any issuance qualifies as a new version, new release, or Update in its sole discretion.

(c) Licensors reserves the right to condition the provision of maintenance and support services, including all or any Updates, on Licensee’s registration of the copy of Software for which support is requested. Licensors has no obligation to provide maintenance and support services, including Updates:

(i) for any but the most current or immediately preceding version or release of the Software;

(ii) for any copy of Software for which all previously issued Updates have not been installed;

(iii) if Licensee is in breach under this Agreement; or

(iv) for any Software that has been modified other than by Licensors, or that is being used with any hardware, software, configuration, or operating system not specified in the Documentation or expressly authorized by Licensors in writing.

## 8. Collection and Use of Information.

(a) Licensee acknowledges that Licensors may, directly or indirectly through the services of Third Parties, collect and store information regarding use of the Software and about equipment on which the Software is installed or through which it otherwise is accessed and used, through:

(i) the provision of maintenance and support services; and

- (ii) security measures included in the Software as described in Section 6.

(b) Licensee agrees that the Licensor may use such information for any purpose related to any use of the Software by Licensee or on Licensee's equipment, including but not limited to:

- (i) improving the performance of the Software or developing Updates; and
- (ii) verifying Licensee's compliance with the terms of this Agreement and enforcing the Licensor's rights, including all Intellectual Property Rights in and to the Software.

9. Intellectual Property Rights. Licensee acknowledges and agrees that the Software and Documentation are provided under license, and not sold, to Licensee. Licensee does not acquire any ownership interest in the Software or Documentation under this Agreement, or any other rights thereto, other than to use the same in accordance with the license granted and subject to all terms, conditions, and restrictions under this Agreement. Licensor and its licensors and service providers reserve and shall retain their entire right, title, and interest in and to the Software and all Intellectual Property Rights arising out of or relating to the Software, except as expressly granted to the Licensee in this Agreement. Licensee shall safeguard all Software (including all copies thereof) from infringement, misappropriation, theft, misuse, or unauthorized access. Licensee shall promptly notify Licensor if Licensee becomes aware of any infringement of the Licensor's Intellectual Property Rights in the Software and fully cooperate with Licensor, at Licensor's sole expense, in any legal action taken by Licensor to enforce its Intellectual Property Rights.

10. [PAYMENT]. All License Fees and Support Fees are payable in advance in the manner set forth in the Order Form and are non-refundable. Any renewal of the license or maintenance and support services hereunder shall not be effective until the fees for such renewal have been paid in full.

11. Term and Termination.

(a) This Agreement and the license granted hereunder shall remain in effect for the term set forth on the Order Form or until earlier terminated as set forth herein (the "**Term**").

(b) Licensee may terminate this Agreement by ceasing to use and destroying all copies of the Software and Documentation.

(c) Licensor may terminate this Agreement, effective upon written notice to Licensee, if Licensee breaches this Agreement and such breach: (i) is incapable of cure; or (ii) being capable of cure, remains uncured for thirty (30) days after Licensor provides written notice thereof.

(d) Licensors may terminate this Agreement, effective immediately, if Licensee files, or has filed against it, a petition for voluntary or involuntary bankruptcy or pursuant to any other insolvency law, makes or seeks to make a general assignment for the benefit of its creditors or applies for, or consents to, the appointment of a trustee, receiver, or custodian for a substantial part of its property.

(e) Upon expiration or earlier termination of this Agreement, the license granted hereunder shall also terminate, and Licensee shall cease using and destroy all copies of the Software and Documentation. No expiration or termination shall affect Licensee's obligation to pay all Licensee Fees and, if charged separately, Support Fees that may have become due before such expiration or termination, or entitle Licensee to any refund, in each case except as set forth in Section 12(c)(ii).

12. Limited Warranties, Exclusive Remedy, and Disclaimer/Warranty Disclaimer.

(a) Solely with respect to Software for which Licensors receives a License Fee, Licensors warrants that, for a period of one (1) year (or such other period mandated by local law) following the license date set forth on the Order Form:

(i) any media on which the Software is provided will be free of material damage and defects in materials and workmanship under normal use; and

(ii) the Software will substantially contain the functionality described in the Documentation, and when properly installed on a computer meeting the specifications set forth in, and operated in accordance with, the Documentation, will substantially perform in accordance therewith.

THE FOREGOING WARRANTIES DO NOT APPLY, AND LICENSOR STRICTLY DISCLAIMS ALL WARRANTIES, WITH RESPECT TO ANY THIRD-PARTY MATERIALS.

(b) The warranties set forth in Section 12(a)(i) and Section 12(a)(ii) will not apply and will become null and void if Licensee breaches any provision of this Agreement, or if Licensee, any Authorized User, or any other Person provided access to the Software by Licensee or any Authorized User, whether or not in violation of this Agreement:

(i) installs or uses the Software on or in connection with any hardware or software not specified in the Documentation or expressly authorized by Licensors in writing;

(ii) modifies or damages the Software, or the media on which it is provided, including abnormal physical or electrical stress; or

(iii) misuses the Software, including any use of the Software other than as specified in the Documentation or expressly authorized by Licensors in writing.

(c) If, during the period specified in Section 12(a), any Software covered by the warranty set forth in such Section fails to perform substantially in accordance with the Documentation, and such failure is not excluded from warranty pursuant to the Section 12(b), Licensors will, subject to Licensee's promptly notifying Licensors in writing of such failure, at its sole option, either:

(i) repair or replace the Software, provided that Licensee provides Licensors with all information Licensors requests to resolve the reported failure, including sufficient information to enable the Licensors to recreate such failure; or

(ii) refund the License Fees paid for such Software, subject to Licensee's ceasing all use of and, if requested by Licensors, returning to Licensors all copies of the Software.

If Licensors repairs or replaces the Software, the warranty will continue to run from the initial date specified on the Order Form, and not from Licensee's receipt of the repair or replacement. The remedies set forth in this Section 12(c) are Licensee's sole remedies and Licensors's sole liability under this Agreement/the limited warranty set forth in Section 12(a).

(d) EXCEPT FOR THE LIMITED WARRANTY SET FORTH IN SECTION 12(a), THE SOFTWARE AND DOCUMENTATION ARE PROVIDED TO LICENSEE "AS IS" AND WITH ALL FAULTS AND DEFECTS WITHOUT WARRANTY OF ANY KIND. TO THE MAXIMUM EXTENT PERMITTED UNDER APPLICABLE LAW, LICENSOR, ON ITS OWN BEHALF AND ON BEHALF OF ITS AFFILIATES AND ITS AND THEIR RESPECTIVE LICENSORS AND SERVICE PROVIDERS, EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY, OR OTHERWISE, WITH RESPECT TO THE SOFTWARE AND DOCUMENTATION, INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE, AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE, OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, THE LICENSOR PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE LICENSED SOFTWARE WILL MEET THE LICENSEE'S REQUIREMENTS, ACHIEVE ANY INTENDED RESULTS, BE COMPATIBLE, OR WORK WITH ANY OTHER SOFTWARE, APPLICATIONS, SYSTEMS, OR SERVICES, OPERATE WITHOUT INTERRUPTION, MEET ANY PERFORMANCE OR RELIABILITY STANDARDS OR BE ERROR FREE, OR THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED.

13. Limitation of Liability. TO THE FULLEST EXTENT PERMITTED UNDER APPLICABLE LAW:

(a) IN NO EVENT WILL LICENSOR OR ITS AFFILIATES, OR ANY OF ITS OR THEIR RESPECTIVE LICENSORS OR SERVICE PROVIDERS, BE LIABLE

TO LICENSEE OR ANY THIRD PARTY FOR ANY USE, INTERRUPTION, DELAY, OR INABILITY TO USE THE SOFTWARE; LOST REVENUES OR PROFITS; DELAYS, INTERRUPTION, OR LOSS OF SERVICES, BUSINESS, OR GOODWILL; LOSS OR CORRUPTION OF DATA; LOSS RESULTING FROM SYSTEM OR SYSTEM SERVICE FAILURE, MALFUNCTION, OR SHUTDOWN; FAILURE TO ACCURATELY TRANSFER, READ, OR TRANSMIT INFORMATION; FAILURE TO UPDATE OR PROVIDE CORRECT INFORMATION; SYSTEM INCOMPATIBILITY OR PROVISION OF INCORRECT COMPATIBILITY INFORMATION; OR BREACHES IN SYSTEM SECURITY; OR FOR ANY CONSEQUENTIAL, INCIDENTAL, INDIRECT, EXEMPLARY, SPECIAL, OR PUNITIVE DAMAGES, WHETHER ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), OR OTHERWISE, REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE AND WHETHER OR NOT THE LICENSOR WAS ADVISED OF THE POSSIBILITY OF SUCH DAMAGES.

Any legal suit, action, or proceeding arising out of or relating to this Agreement or the transactions contemplated hereby shall be instituted in the U.S. District Court for the Northern District of California or the Superior Courts of the State of California in each case located in the County of San Mateo, and each party irrevocably submits to the exclusive jurisdiction of such courts in any such legal suit, action, or proceeding. Service of process, summons, notice, or other document by mail to such party's address set forth herein shall be effective service of process for any suit, action, or other proceeding brought in any such court.

(b) Licensors will not be responsible or liable to Licensee, or deemed in default or breach hereunder by reason of any failure or delay in the performance of its obligations hereunder where such failure or delay is due to strikes, labor disputes, civil disturbances, riot, rebellion, invasion, epidemic, hostilities, war, terrorist attack, embargo, natural disaster, acts of God, flood, fire, sabotage, fluctuations or non-availability of electrical power, heat, light, air conditioning, or Licensee equipment, loss and destruction of property, or any other circumstances or causes beyond Licensors' reasonable control.

(c) All notices, requests, consents, claims, demands, waivers, and other communications hereunder shall be in writing and shall be deemed to have been given: (i) when delivered by hand (with written confirmation of receipt); (ii) when received by the addressee if sent by a nationally recognized overnight courier (receipt requested); (iii) on the date sent by facsimile or email (with confirmation of transmission) if sent during normal business hours of the recipient, and on the next business day if sent after normal business hours of the recipient; or (iv) on the third day after the date mailed, by certified or registered mail, return receipt requested, postage prepaid. (g) This Agreement may only be amended, modified, or supplemented by an agreement in writing signed by each party hereto. No waiver by any party of any of the provisions hereof shall be effective unless explicitly set forth in writing and signed by the party so waiving. Except as otherwise set forth in this Agreement, no failure to exercise, or delay in exercising, any right, remedy, power, or privilege arising from this Agreement shall operate or be construed as a waiver thereof; nor shall any single or partial exercise of any right, remedy, power, or privilege hereunder preclude any other or further exercise thereof or the exercise of any other right, remedy, power, or privilege.

(h) If any term or provision of this Agreement is invalid, illegal, or unenforceable in any jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other term or provision of this Agreement or invalidate or render unenforceable such term or provision in any other jurisdiction.

(i) For purposes of this Agreement, (a) the words "include," "includes," and "including" shall be deemed to be followed by the words "without limitation"; (b) the word "or" is not exclusive; and (c) the words "herein," "hereof," "hereby," "hereto," and "hereunder" refer to this Agreement as a whole. Unless the context otherwise requires, references herein: (x) to Sections and Exhibits refer to the Sections of, and Exhibits attached to, this Agreement; (y) to an agreement, instrument, or other document means such agreement, instrument, or other document as amended, supplemented, and modified from time to time to the extent permitted by the provisions thereof and (z) to a statute means such statute as amended from time to time and includes any successor legislation thereto and any regulations promulgated thereunder. This Agreement shall be construed without regard to any presumption or rule requiring construction or interpretation against the party drafting an instrument or causing any instrument to be drafted.
